

Marshall Civic Players Corporate Sponsorship Program

The Marshall Civic Players are celebrating their 75th season! Now is the time to take in the exciting events and sponsor opportunities surrounding *this season*. As a supporter of the arts, you will not only play an integral role in the financial wellbeing of the organization, but also a vital and important role in keeping the arts strong in our community (which in these difficult times is needed and appreciated more than ever).

The planning of our upcoming season, as well as continuing to provide high caliber productions this year, keeps MCP busy and holds many opportunities for your personal support and/or business advertisement. Please consider financially supporting MCP through sponsorship and attending the 75th season shows.

We invite all of those who enjoy the drama, passion, excitement and entertainment the arts provide to our souls to share in the 'spotlight': be it on stage, backstage or off stage. Here is how you can provide "off stage" support:

Season Sponsorship:

_____ \$2,500+
