Marshall Civic Players
Program Advertising Opportunity

As we approach our 78th season of bringing the magic of theater to our community, we invite you to be a part of this remarkable journey. Our organization has been a cherished cultural hub, showcasing talent, inspiring creativity, and uniting people through the performing arts for nearly eight decades.

This season we will be performing all of our shows at The Marshall High School Auditorium for Performing Arts and will feature a diverse lineup of performances that cater to all tastes and ages. To make this season truly exceptional, we are reaching out to valued community partners like you to join us as a program advertiser.

A program ad offers a unique opportunity to support the arts while gaining visibility and connecting with our engaged audience. Your contribution will help us continue to produce high-quality performances, support local artists, and enhance the overall theater experience.

Thank you for taking time to consider putting an ad in our program. Together, we can ensure that our 78th season is a resounding success and that the joy of live theater continues to thrive in our community.
